ADDENDUM NO. 004

RE: Request for Proposals for
Economic Development Business Attraction Services

Prospective Proposers are hereby notified of the following clarification in the Request for Proposals document for a vendor to provide Economic Development Business Attraction Services. These changes shall be incorporated in and shall become an integral part of the contract documents.

- 1. The deadline for submission in response to this clarification is Friday, August 7, 2015 at 4:00PM Eastern Daylight Savings Time.**

Clarifications:

- As further clarification of the scope of services, we are requesting that the consultant build a list of in-state companies in addition to the list of out-of-state companies. The in-state list shall include companies that are expanding, have the potential to expand, in danger of leaving, and in danger of going out of business. Please update your cost proposal accordingly.
- Each respondent shall clarify the uniqueness and relevance of its methodology and data sources.
- In addition, to assist in marketing expansion opportunities in general and the new State incentive programs (as described in the scope of services), the Commerce Corporation may request that the consultant devote one or more staff members or contract workers to provide in-state and out-state representation for between 20-30 hours per week for a discrete period of time. As part of the cost proposal, each respondent shall propose a monthly fee for this service and an hourly billing rate.
